

Haiku and Canto Setup Instructions

7/5/2018

1. For your handheld device, download the Haiku application from the App Store or Google Play. Download the Canto application for iPads. Do not open Haiku/Canto at this time.
2. Scan the barcode or go to the following link which will download configuration and launch the application.

Haiku: https://trinlink.tmfhs.org/EpicCareLink/ConnectCareApps/Haiku.htm	
Canto: https://trinlink.tmfhs.org/EpicCareLink/ConnectCareApps/Canto.htm	

3. Sign in using your ConnectCare credentials. You will receive a on screen notification confirming that your information has been submitted for approval. Once your device is activated, you will receive an In Basket message in the ConnectCare Desktop Application.
*** Please allow two business days for activation.
4. If you have any issues or still aren't able to log in after two business days, call the ServiceDesk at 903.606.5533 for assistance.
